EXPERIENCE:

Web Admin/Marketer/Content Creator - Employee Blue Ridge Overland Gear

2016-2021
Lynchburg, VA

March 2016 - Present

- Planned, produced and edited over 300 Youtube across multiple brands, one in particular went from 1k subscribers to well over 20k
- Helped to craft the brand identity, developing messaging, strategies and marketing materials and helped take the company from 6 employees to 16 and triple it's sales.
- Helped facilitate a successful website replatforming. Worked on database transfer, content audit and implementation for various brand needs. Quickly became the go-to person for technical needs.

Freelance Film Crew

2010 - 2016 Virginia area

- Worked on content and marketing for countless brands and several award winning film projects.
