EXPERIENCE:

Web Admin/Marketer/Content Creator - Employee   2016-2023
Blue Ridge Overland Gear   Lynchburg, VA

March 2016 - Present

- In the last 2 years I developed a mobile app from the ground up as a solo developer.
- Planned, produced and edited over 300 Youtube across multiple brands, channel went from 1k subscribers to well over 25k
- Helped to craft the brand identity, developing messaging, strategies and marketing materials and helped take the company from 6 employees to 20 and 4x it's sales.
- Helped facilitate a successful website replatforming. Worked on database transfer, content audit and implementation for various brand needs.

Freelance Film Crew   2010 - 2016 Virginia area

- Worked on content and marketing for countless brands and several award winning film projects.
